Methods of Payment & Final Confirmation

For all Registered campers, the date when final fee payment will be requested will be set as soon as Hurontario has received confirmation from the Public Health authorities that overnight camps are opening. Further, the dates for filling in final confirmation detail for travel, health, cabin requests will also be sent to our parents as soon as we have our opening time frame.

1. Camp Hurontario accepts funds in Canadian and US dollars. Fees are set in Canadian dollars. Payments may be made by cheque. All fees and charges quoted in our literature do not include HST.
2. Please do not pay for canoe trips, clothing, or biodegradable toiletries at this time as the boys make purchases at camp. These charges will be added to the account at the end of the session.
3. If a camper must be withdrawn from the camp for medical reasons (supported by a doctor's letter), a partial refund will be made up to June 1st. After June 1st, the Camp reserves the right to retain final payment. However, the camp will endeavour to minimize a family's financial loss in such circumstances.

Follow the road to Moose Deer Point Marina, which is about 15 minutes in from Highway 400 (see map).

Directions by Boat:

General information

Toronto and Georgian Bay Summer Office Dates

Our Toronto office (416-488-2077) will remain open until mid-June. Our Georgian Bay, Camp Island office will open a few days after. We may experience a day or two without phone or computer communications, but we will respond to emails as soon as we open. Please note that the answering machine in our Toronto office will not be available during the summer. The Toronto office will reopen in late August.

Our summer Georgian Bay office (705-375-5306) will be open mid-June until the end of August. The phone is monitored from 9:30 to 11:30 a.m. and again from 1:45 to 3 p.m. Campers are not permitted to call home and parents should not phone and request to speak with a camper. If there is an emergency, please call and ask for a Director who is always on the island. The best time to call the camp is from 1:45 to 3 p.m

Summer Address

**Camp Hurontario
P.O. Box 251
Mactier, ON P0C 1H0**

Please use this address for all mail. Summer mail service is slow and a week should be allowed for a letter to get to Camp. Please note that emails to campers are not available at camp.

PLEASE NOTE: As all Hurontario staff are on a break during the three-day changeover between the end of July camp and the start of August camp, the camp office will be CLOSED for these 3 days. The office will reopen at 1:30 p.m. the day before August camp opens.

Care packages/Parcels

All parcels sent to campers will be opened at the camp post office. As we have campers with severe allergies, **please do NOT SEND FOOD OR TREATS of any sort.** Letters included with a food parcel risk being lost. The camp is unable to hold or return any food parcels. Please assist us in this issue of potentially life-threatening importance.

Preparing for camp: a letter from home

To assist the counselling staff in assuring your son an excellent camping experience, a letter which briefly outlines your son's personality and interests is very useful. Our counsellors benefit from these anecdotal accounts of your son's personality, so please write us a short note and send to the Toronto office.

The Camp Store Account

The Camp Store at Hurontario is stocked with stamps, biodegradable toiletries, water bottles, insect repellent, flashlights, batteries, sweatshirts, tackle, etc.

Anything purchased by your son will be billed to his account, along with travelling expenses and trip costs, and you will be invoiced at the end of each session. If a camper requires a trip to Parry Sound for medical or dental care, a \$45 charge to cover costs will be indicated on the camper account. A reasonable Camp Store limit (excluding a fishing spinning outfit, pre-ordered clothing and travel costs) would be \$150.

Pocket Money: there is no need for money at camp, as all purchases made at the Camp Store are billed to the camper's account. Hurontario is not responsible for money brought to Camp.

Lost & Found

Lost and found items are an ongoing problem at camp. The boys simply do not recognize their clothing or are having too much fun while we are trying to find out who owns what item! PLEASE clearly and indelibly mark your son's name on ALL items that come to camp including towels, water bottles, shoes, and sleeping bags. Given COVID protocol and wanting all personal belongings to go home with the correct owner of all items sent to camp, it is very important this summer that parents LABEL all items brought to camp. We will not be able to transport any lost and found to Toronto. Please order labels from Mabel's Labels online at <http://campaigns.mabelslabels.com> and be amazed at how many items return with your son.

Valuables

Any valuable personal items such as iPads, video games, watches, etc. will be kept at the camp office. However, the camp recommends such valuables should be left at home. Hurontario is not responsible for the loss of such items.

Baggage Tagging

Please tag all baggage and hand luggage with the baggage tags provided to you by the camp, with your son's full name on one side and his cabin group number on the other, leaving room for the camp to add more details. If you require more tags, please purchase manila baggage (shipping) tags 4 1/2 inches by 2 1/2 inches. Staples is a good source of these tags. Please avoid using plasticized tags as we are unable to write on them.

Lifejackets

Wearing a life jacket is compulsory for all campers and staff during all boating activities. Each camper will have his own clearly labelled lifejacket, as we wish to try to ensure no sharing of these lifejackets. It is recommended that life jackets fit well and are a bright colour for maximum visibility (yellow, orange or red). Please avoid sending life jackets that are darker blue, green or brown.

Water bottles

Please purchase a Hurontario Nalgene water bottle. Please order [Mabel's Labels](#) for water bottles – they make excellent stay-on visible custom labels with your son's name. This is very important as all water bottles look alike and printed names do not survive the elements and wear off. **All water bottles MUST be labelled to ensure that there is no sharing of water bottles.**

Travel information

The following is an outline of the general details of travelling to camp. At the time of writing, we have yet to hear details for the opening of overnight camps. As soon as we learn the protocols under which camps will open, we will send out firm details for all travel, including all arrival and departure times for each mode of travel. Parents will then be guided back to the CampBrain database to input Travel (and other pertinent) details. Travel plans will be structured around providing a system of travel in and out to best assure the health and safety of everyone.

Please pack all items into a hockey or sports bag (please avoid bags with wheels). Sleeping bag, pillows, bulky items should go in the hockey bag. These types of bags are the easiest for us to transport. Many boys come to Camp with more items than are needed. Camp is a good place to wear old clothes. These should be selected for warm, sunny weather and also with rainy and cool days in mind. Include light-coloured, long-sleeved shirts to repel mosquitoes.

Labelling

LABELLING OF PERSONAL ITEMS AND ALL CLOTHING WILL BE ESSENTIAL THIS SUMMER SO WE CAN ASSURE THAT OUR CAMPERS AND STAFF ARE NOT SHARING ANY ITEMS. PLEASE PUT NAME TAGS ON ALL CLOTHING AND CAMP ITEMS. [Mabel's Labels](#) has labels for everything including shoes & water bottles! Be sure to label socks, shoes, underwear, towels, sleeping bags, water bottles, shoes etc. with these excellent labels so that lost & found items can be easily identified and returned to their rightful owners.

Health and Safety

For complete health and safety information please see the website.

When you'll hear from us

For the most part you will not hear from camp's medical team while your child is at camp; however, there are a few situations when one of the camp medical staff may need to contact home during the summer. For this reason, please make sure to provide camp with the most up to date contact information. For further details on communication with our parents concerning health matters please refer to our web site.

Medications

Sending medications to camp: For campers arriving by bus, car or private boat, please give any medications for your son to the Hurontario staff member collecting medications. Please ensure that you have communicated in writing any specific directions, and place this information in a ZipLoc sealed bag (packaging that is secure) along with the medications.

All medications of any type must be clearly labelled with:

- Your child's name
- The physician's name
- The name of the medication
- The required dosage

Allergies

Nut Policy

Children come to Camp with severe or life-threatening allergies, and in particular, allergies to peanuts and tree nuts. To ensure that Camp is a safe environment for all Hurontario campers, Hurontario is designated as "nut aware."

All food served through the kitchen and on out-trips is carefully screened to ensure it does not contain nuts or nut products. No food parcels will be accepted at camp given the risk of the allergies in camp.

If your child has a life-threatening allergy, please send two clearly labelled EpiPens, in a sealed and labelled Ziploc bag. Campers with allergies requiring the wearing of an EpiPen will wear one EpiPen in a fanny pack, and the counsellor will carry a second. Club Med will have extra EpiPens.

Sun Safety

- Sunscreen will be used at Camp Hurontario for all campers and staff on sunny or cloudy days
- To assist the Camp in its sun protection program, please discuss the importance of using sunscreen with your son.
- Please supply SPF 30 (minimum) for your son. Please be sure the sunscreen also contains DEET to repel mosquitoes.
- Sunscreen will be available at the Camp Store and each counsellor will have a supply.
- Protective clothing, such as Hurontario's baseball hats, plus a lightweight long-sleeved T-shirt will be available to buy at camp.

A day in the life of your camper

Hurontario's program is creative, flexible, energetic and full of opportunities to learn new social and sporting skills. The best part is that it is organized by the campers in a democratic process guided by our capable staff.
